*Budgeted Match amount refers to total proposed match amounts from all sources including private sector and government sources.

** Other Revenue refers to funds that the program reports as being used to run the program that are not CNCS share or match.

NOTE: Some applicants are receiving “fixed amount grants” which do not require reporting on matching funds.

Program Summary

The Vermont Department of Environmental Conservation AmeriCorps members will employ strategies to protect and improve water quality in the Lake Champlain watershed, assist in providing education and outreach to community members on water quality issues and solutions, implement watershed restoration projects, and improve public lands across Vermont through use of best management practices for storm water management. This program focuses on the CNCS focus areas of Environmental Stewardship and Governor and Mayor Initiatives.
